for Android

Access QR code shown on the right or install “sana~ru” in the search screen of Google play.

Violation (sample)

Emergency evacuation site (designated shelter)

As an evacuation site (designated evacuation center) when a disaster occurs or there is a risk of occurrence, the area is decided to distinguish between each region based on the regional disaster prevention plan, and schools, community centers, etc, are designated.

Let's check where the evacuation place (designated shelter) is located and how to make directions to the evacuation place (designated shelter).

Consultation about attending elementary and junior high school

If you would like to let your child attend elementary or junior high school, please consult School Education Section.

Sano International Association

◆ Looking for members !

Why don't you join the international exchange?

Sano City is home to about 2000 people from different countries. In order to deepen international understanding and mutual friendship among citizens, including foreigners, together with our members, the IEA Association conducts exchange activities at the citizen level that takes advantage of the characteristics of Sano City.

If you wish to join, please apply with the membership fee.

- ◇ Conditions of admission: Those who live or work in Sano City, organizations and corporations in the city, and those who agree with the purpose of the Association
- ◇ Annual membership fee: 2000 yen for individual members, 10000 yen for organizations and corporate members.
- ◇ Membership benefits: Sending notification such as public relations papers and events, participation in member training, joining members of the subcommittee (see below), membership prices for language courses, etc.

○ Main business contents

We are divided into six major subcommittees to plan and manage international exchange projects.
